

The Energy and Environmental Forum in Hong Kong 2007

6:00 pm – 8:00 pm, Thursday, 30/8/2007
Jockey Club Lecture Theatre, IVE Morrison Hill
Oi Kwan Road, Wanchai, Hong Kong

An Open Forum on energy utilization and sustainable development in Hong Kong will be held on 30 August 2007 for collection of opinions on energy initiatives conducive to sustainability of our community. The exploration of the emission of pollutants from power generation, transportation vehicle and electricity demand side will be the key areas of discussion.

This Open Forum is organized by the Hong Kong Association of Energy Engineers (HKAEE) and will be chaired by Ir Otto Poon, the President of HKAEE.
