

# "Smart Tech. Smart City – Building Smart City with Smart Technologies" Conference

**Date:** 20-21 April 2017 (Thursday to Friday)  
**Fee:** \$200 per person (Conference Only)/ \$300 per person (Conference + Tour)  
**Language:** Cantonese

Smart cities should embody the latest technologies and knowhow to benefit the people and the environment in a sustainable and cost effective manner. Hong Kong Productivity Council (HKPC) will launch a "Smart Tech. Smart City" conference and visiting tour, gather Smart City experts to share the key aspects on how the latest technology and applications are transforming Hong Kong, promote ways to improve our lifestyle, showcase new policy initiatives and the latest global trends in the Smart City arena.
