L GEES Limited: First USGBC Education Partner in Greater China

LEED AP and Green Associate V4 Exam Preparation Training

Convened by L GEES Limited

2018. March, April, June, July, September, December Hong Kong

Organizer

Co-organizers

Supporting Organizations

Objectives:

- Grasp the core concepts adopted by LEED V4 rating systems including integrative process, systems thinking, life cycle analysis, triple bottom line, etc.
- Understand the LEED rating system structure including the 21 different sector adaptations
- Be capable to manage the certification and submission process for LEED projects from registration, submittal, CIR to appeal
- Understand the basic documentation requirements for a LEED project
- Be prepared for Green Associate and AP specialty exam

Audience:

This course is ideal for architect, project manager, green building consultant, developer, sustainability coordinator, landscape architect, technical manager, energy engineer, MEP consultant, facility managers, or anyone interested in understanding green building principle, especially sustainable design, construction, management, purchasing, and plan to achieve a LEED professional credential.

After this training, you will get:

- 1100 mock exam questions (for LEED AP BD+C, ID+C, O+M course students)
- 600 mock exam questions (for LEED Green Associate course students)
- One month follow up for your exam review
- Three work books developed by USGBC Intelligent Properties, authorized by USGBC to USGBC Education Partners only

Educators:

Ms. Lili Pan

Founder, MD @ L GEES Limited, LEED AP BD+C, LEED AP O+M, LEED AP ID+C, Certified Energy Manager USGBC Emerging Professional

LEED International Round Table Member

Ms. Lili Pan has been working on LEED projects since 2008, the year she obtained LEED AP credential with high mark (190+). She has provided LEED consultancy services to many landmark projects in East Asia and practiced 'life cycle energy performance quality assurance' in those projects through energy modelling, building commissioning / retro commissioning and measurement & verification.

L GEES has been the first USGBC Education Partner in Greater China since 2013.

Mr. Alain Tang

Consultant @ The GEES Group, Fellow of HKIE Chartered Engineer MIET, MCIBSE Certified Carbon Auditor Certified Energy Manager Register Energy Assessor

Mr. Alain has been working in Facilities Management in corporate headquarter buildings, hospitality complexes, oil and gas facilities and public utilities undertaking more than thirty years. He has a wide range of professional knowledge in construction, project management, operation and maintenance across different commercial environments. In addition to his wealth of experience in Facility Management, Alain has been working in energy improvement projects across different facilities and successfully implemented several major retrofitting for building energy consumption systems to achieve substantial energy conservation.

Other honorable speakers will be confirmed later
