

Technical Visit to Aviva Yacht (Ap Lei Chau)

24 November 2018 (Saturday)

The Energy Institute Hong Kong and the Hong Kong Association of Energy Engineers are jointly organizing a technical visit to the **Aviva Yacht** in Ap Lei Chau on Saturday, 24 November 2018. In this visit, the participants will learn how a shipyard service provider can effectively implement green measures and practices in maintenance and repair services of yachts. The participants will also learn how advanced nanotechnology can be applied to solve hull fouling problems for improving fuel efficiency and protecting the marine environment.

EI members and HKAEE members and their guests are cordially invited to join the visit with details as below.

Date: 24 November 2018 (Saturday) **Time:** 0930 to 1215

Schedule:

0930 Assembly at the Customer Service Centre of the Lei Tung MTR station
0940 (sharp) Go to the Site on foot
