**Abstract** : HKAEE, BSOMES, EI (HK Branch) and The HK PolyU have been invited by EMSD being part of the members of the Technical Taskforce for reviewing and giving advice on associated technical matters on the existing five codes of EMSD Code of Practice (CoP) for Energy Efficiency for five types of installations (2007 edition) as well as the CoP for Energy Audit for coming legislation and subsequent mandatory implementation.

HKAEE together with the co-organizers have invited EMSD to give our members a seminar briefing about the latest development of these codes. The contents of presentations will touch about:-

- Summary of key technical requirements;
  - Concept of major retrofitting works;
  - Qualifications about the registered energy assessor to carry out the future mandatory energy audits; and
  - Future implementation framework
