Abstract (300 words approx.) and Full Papers to be sent to:

c/o Dr Leonard Chow  
Email: [leonardchow@ISPL.com.hk](mailto:leonardchow@ISPL.com.hk)  
Tel: (852) 2566 3397  
Fax: (852) 2343 3132

**Key Dates:** Abstract submission deadline: 6 June 2007  
Full Paper submission deadline: 6 September 2007  
Confirmation of acceptance of paper: 6 October 2007

**Language:** The manuscript is to be written in English.

**Presentation:** Oral presentation of paper shall be in English.

## Guidelines for Preparing Full Papers

**Publications:** The coloured full paper in a maximum of 8 pages will be contained in the proceedings.

**Conference Language:** The official language of the Conference will be English. The full paper must be written in English.

**Paper Organization:** The full paper should consist of the following ten parts:

- **Title:** The title should clearly indicate the subject of the paper as briefly as possible.
- **Author's Name:** Surname should be put in as the last name.
- **Affiliation:** The organization where the author currently works.
- **Country:** The country where the author currently stay.
- **Summary:** A summary is a collection of statements that comprise the essential qualities of the paper.

(Please list the Keywords not more than 6 of them)

**Introduction:** The introduction orients the reader with respect to the problem and should include the nature, background, purpose and the significance of the paper.

**Body:** The body contains the primary message of the paper in detail. The author should focus on the object and communicate information efficiently and effectively to the reader.

**\*Conclusion:** The conclusion should cover the results, significance, limitations and advantage.

**Appendix:** Graphic or supplementary information may be included in one or more appendices.

**Reference:** The reference section should appear at the end of the paper. Citation should be complete and correct.

**Paper Format:** The full paper should be prepared in **WinWord format** with page set up to **A4 (210 x 297 mm) size paper**.

**Page Layout:** The full paper should be in **one-column format** and **single-line spacing**.

**Length:** The **full paper will be in a maximum of 12 pages**. The page limit includes tables, figures, graphs, illustrations, appendices and reference.

**Page Setup:** It should have a **top margin of 2.5 cm, bottom margin 2.5 cm, left and right margin 1.75 cm each**. All text paragraphs are justified.

**Typeface/Fontsize:** The typeface is "**Times New Roman**" and **pitch is "12"**. The paper title is all capital with a pitch of "14", all heading and subheading should be in **bold** type and pitch "12". Text only under the Summary section in full paper is *italic*.

**Abbreviations and Units of Measurement:** When using abbreviations in the full paper, the first mentioned abbreviations must be written in full name. S.I. units are to

be used for measurements in the full paper, as far as possible and applicable.

**Editing and Publishing:** The Technical Committee may, as appropriate, edit the materials submitted by the author(s) for the Conference, as to tie up with the theme and style. The kind consent of all the corresponding authors is also assumed for permitting the Conference to publish all the full papers/materials they sent for the Conference publication.

**Copyright:** Copyright in published abstracts and full papers will be vested in the organizer. It is the authors' responsibility to obtain and submit all written permissions required, including permission to quote material which has appeared in another publication.

Authors are reminded that it is the responsibility of the authors, not the organizer, to determine whether disclosure of their material requires the prior consent of other parties and, if so, to obtain it. Statements and opinions given in the work are the expression of the authors and not those of the organizer. Responsibility for the content of published articles rests with the authors, not the organizer.

**Submission of Full Papers:** Authors are required to submit the full papers according to the above described format. Please note that the deadline for submission is **6 September 2007**.

The full paper are required to be prepared in WinWord format and then converted to Portable Document Format (PDF). You are required to submit the soft copy in both WinWord and PDF formats with each file size limited to 2 MB. If the WinWord file size is more than 2MB, please zip the file to reduce the file size below 2 MB. When putting in photo/picture/drawing, please pay special attention to possible excessive file size. Try to use photo editing software to reduce the size/resolution of the picture to 300dpi to meet normal printing requirement.
