### **Brief Report of HKAEE Spring Dinner on 3 March 2008**

At the beginning of the year of the Rat, we shared the joy and fun with members and guests by hosting a Spring Dinner at the King Palace (Chiu Chow) Restaurant on 3 March 2008.

“Cocktail Reception”

“Opening Speech”

“Technical  
Talk”

“During the  
Dinner”

“Toasting”

“財神 Games”

“Lucky Draw”

There was a Cocktail Reception before the Spring Dinner. After the Opening Speech, our President – Ir Otto Poon – delivered a Talk on “Energy Engineer’s Role in Sustainable Development”. Our Director Mr Conson Yu also played the “財神” to play games and present Red Pockets to guests and members. All participants enjoyed the Spring Dinner very much. The Spring Dinner was successfully held with a little surplus.
