

Energy Engineering Technical Visiting Tour 2007 20 - 25 September 2007 Three Gorges and Changsha

Hong Kong Association of Energy Engineers (HKAEE) and its co-organizing and supporting organizations will take you to the latest development of new energy and renewable energy technologies. Through a 5½-day tour in Yichang, Hubei (湖北宜昌) and Changsha, Hunan (湖南長沙), participants will be given the opportunity to visit some of the most remarkable and renowned facilities and plants, which include* the Three Gorges Dam (長江三峽大壩), 2,335 metres long and 185 metres high, consists of 32 Nos. of 700MW generators producing some 22,500MW, claimed the title to being the largest hydro-electric power station in the world; also include visiting a huge Water Source Heat Pump Project at Xiangtan (湘潭市水源熱泵工程項目), and Broad Air Conditioning Factory (遠大空調廠房) who being the biggest absorption chiller manufacturer in the world producing plants that could be driven by oil, gas, solar power, steam and exhaust gas.

The tour will also provide an opportunity for the participants to interflow with Hunan University (湖南大學), during which, a technical seminar will be organized between HKAEE and the Built Environment Research Centre (建築環境研究中心) of the University.

The size of this delegation is restricted to **25** persons. Seats are limited; please submit your registration as earliest as possible.

Registration deadline: 29th August 2007

Organizer

Hong Kong Association of Energy Engineers

Co-organizers

*Association of Energy Engineers
HK Chapter*

The Hong Kong Air Conditioning and Refrigeration Association Ltd.

Supporting Organizations

Asian Institute of Intelligent Buildings

Building Services Operation and Maintenance Executives Society
屋宇設備運行及維修行政人員學會

Building Services Operation and Maintenance Executive Society

Energy Institute (Hong Kong Branch)

Hong Kong Institution of Engineers

Nuclear Division

香港註冊通風系統承建商協會

Hong Kong Registered Ventilation Contractors Association

Enquiry

Ir Peter Ma
Hong Kong Association of Energy Engineers,
Telephone: 2844 6318 / 9186 3933
Email: PeterMa@HKAEE.org

***Highlights:**

- Interflow with Hunan University, a technical seminar on Building Energy Efficient
- Access to Hydro-electric Plant Room at Three Gorges Dam
- Visit Broad Air Conditioning factory
-

(* Subject to final confirmation with prompt notice)

Registration

Registration is accepted on first-come-first-served basis. Completed Registration Form should be sent by *Fax on 2890 2653* for reservation. It should then be sent by post with a cheque payable **“Hong Kong Association of Energy Engineers Ltd”** to *Mr Conson Yu, c/o Gether-Force Air-conditioning Engineering Co Ltd, 16/F, Shanghai Centre, 473-475 Shanghai Street, Yau Ma Tei, Kowloon, HK (Tel.: 2890 2622 / 9633 5254) by no later than 5pm, 7th September 2007.*

Registration will ONLY be confirmed upon receipt of payment.
